No. R/AR/Suptd.(PG)/Erasmus+ mobility programme/2024-25

Date: 3-04-2024

NOTIFICATION

Sub: Advertising for Nominations for ERASMUS + Mobility program at the University of Kessel -reg

Ref: 1. Email from Martin from University of Kessel dated 20-3-2024

2. No.IC/F04/2023-24/106 dated 20-3-2024 of the Co-ordinator, The International Center, Office of the Dean Student Welfare, UAS, Bangalore

3. Recommendation of the Director of Education, UAS, Bangalore dated 25-3-2024

4. Approval of the Director of Education, UAS, Bangalore dated 2-4-2024

The ERASMUS + Mobility program at the University of Kessel has proposed an opportunity for our students and faculty to participate in the ERASMUS + Mobility program at the University of Kessel for the autumn/winter term 2024-25. The University of Kessel as part of ERASMUS + International Credit Mobility initiative has extended an invitation to continue or initiate hosting students from our University. **The nominations for the upcoming term and the deadline for submission is 30-4-2024.** It is imperative that interested PG students and faculty meet the application criteria and provide the necessary documents by the specified deadline to ensure their consideration of the program.

To nominate students for this program, the following application criteria and documents are required.

1. The cover / motivation letter was addressed to ERASMUS + Coordinator Dr, Martin Wiehle
2. UP-to-date CV of the nominee
3. UP-to-date transcript of records (ECTS) and certificates highlighting above-average academic achievements
4. Language certificates demonstrating proficiency in either English or German :
 - English (for international M.Sc.- AGES, IFBC, or SIA-programs): B2 level or higher
 - German (for German B.Sc./M.Sc.-Organic Agriculture-programs): B2 level or higher

The above documents shall be submitted to the Dr. Prasanna Kumar M K / Dr. Shivanna B, Co-ordinator, The International Center, Office of the Dean Student Welfare, UAS, GKVK, Bengaluru.

BY ORDER

Subject: ERASMUS+_Welcome to nominate students for the autumn/winter term 2024 # please read carefully! #

Dear colleagues and EM+ partner institution coordinators,

Greetings from the Faculty of Organic Agricultural Sciences at Witzenhausen (University of Kassel).

We are glad to continue or initialize hosting students from your institution and look forward to receiving your nominations for the autumn/winter term 2024/25.

Semester/term: **01 Oct 2024 – 31 March 2025**

Lecture period: **14 Oct 2024 – 14 Feb 2025** + 2-3 exam weeks in February/March (=study stays between 5 to 6 months)

For the nomination of students, please consider the following guideline:

1. Nominations by 30 April 2024

For the nominations, you need to **start a pre-selection procedure of students** in your institution. For us, the pre-selection must be based on the following application criteria/documents

1. **Cover/motivation letter** (addressing the ERASMUS+ coordinator Dr. Martin Wiehle)
2. up-to-date **CV**
3. up-to-date **transcript of record (ECTS) & certificates**; above average achievements
4. **language certificates** (ideally TOEFL, IELTS, or appropriate proofs of an environment where the medium of instruction for the nominee was/is the respective language):
 - English (for international M.Sc. – AGES, IFBC or SIA – programs): B2 or higher or
 - German (for German B.Sc./M.Sc. – Organic Agriculture – programs): B2 or higher

Kindly check the possible/still available **number of student mobilities** we have jointly agreed upon (see **Interinstitutional Agreement (IIA)** and/or budget table). Based on these figure(s), suggest nominees strategically over the funded period of 3 years (at best not all mobilities in one semester). **In case of questions**, for instance if you are unsure how many mobilities are still fundable, **please return to me**.

Access the **nomination questionnaire** at ERASMUS+ autumn/winter 2024/25, type the basic information per nominee, and merge the **4 documents** (1.-4. in sequence, s. above) as one PDF each and **no later than 30 April 2024**.

You may use this form as well to nominate staff if this is priorily agreed with the hosting partner/section of the Faculty of Organic Agricultural Sciences AND in line with the available budget (check the IIA form and budget table). **Staff can be nominated at any time**.

The new EM+ line also includes criteria for students with "**Fewer Opportunities**", which entitles them to receive a small top-up. These criteria are:

- They have a disability or chronic illness
- They have a child (at least one child has to be present with the parent during the whole study abroad period)
- They are a first-generation college student (neither parent has at least a bachelor's degree or equivalent)
- They have a job (they have to be employed for at least six consecutive months between six months prior to the application deadline and the start of their mobility and they are not allowed to continue their employment during their stay abroad)

Please note!!!

- Each institution has to **autonomously manage the nomination process**; we are not responsible for the necessary administrative steps, announcements, sequences, and procedures etc. at your institutions!
- Kindly **protocol and archive the pre-selection process**! DAAD/ERASMUS officials may ask at any time if (fair) criteria are met and have been followed.
- **Nominated students are not automatically admitted to this exchange!**

2. Selection between May 01 and 10, 2024

1. After a brief screening of the submitted documents, we will invite the applicants for an online interview to see their English (or German) capabilities and answer open questions for the intended exchange and stay at Witzenhausen/Kassel
2. Thereafter, the final decision will be done jointly before May 15, 2024. The admission (or decline of nominees) will follow the weeks after.

In case you have questions, for instance on the number and length of available mobilities, please contact me at tropenzentrum@uni-kassel.de

Best wishes

Martin W.
