

UAS Bangalore Email Migration has started. Both the platform will work for a week.

Old Platform Link <https://email.gov.in/> (Zimra) | New Platform Link <https://mail.gov.in> (ZOHO)

All the users listed below are informed to access your email in the new platform by authenticating with OTP into your registered phone number indicated in the table.

All users register for the webinar in this link for orientation and clarification in using your email account <https://www.mgovcloud.in/mail/webinars/> which is scheduled on 23.10.2025 at 02:00 PM

It will take one or two weeks to sync old email content into the new platform. Till then you can access your old emails in the old platform itself.

Contact Mr. Jabeulla, Network Admin for further queries related to email migration **Mob. 9663860569**
