

60th Foundation Day : Diamond Jubilee Celebrations

UAS, BANGALORE, proudly celebrated its 60th Foundation Day on 9th October, 2025, reflecting on its illustrious origins, the vision of its founders and the remarkable progress achieved over six decades. The event began with a cordial welcome to dignitaries and guests by Dr. H.S. Shivaramu, Director of Research. Dr. K.C. Narayanaswamy, Registrar, highlighted the

Hon'ble Home Minister & Minister of Agriculture inaugurating the Foundation Day

University's significant achievements in the past year. Distinguished alumnus, Dr. G. Parameshwara, Hon'ble Home Minister of Karnataka, inaugurated the event in the august presence of Shri N. Chaluvaryaswamy, Hon'ble Minister of Agriculture, GoK. Dr. Parameshwara noted the University's nationwide NIRF's 11th rank among Farm Universities and its prestigious A+ grade from NAAC-milestones emblematic of the institution's relentless pursuit of excellence. Shri Chaluvaryaswamy, Hon'ble Minister of Agriculture, GoK extolled UAS, Bangalore graduates as ambassadors of innovation and resilience.

On the occasion, 'Dr. Kalayya Krishna Murthy National Award' was conferred to Dr. G. Karunakaran, Principal Scientist, IIHR, Bengaluru for his outstanding contributions in horticultural research. Dr. Nagarajappa Adivappar, Professor of Horticulture, Arecanut Research Centre, KSNUAHS, Shivamogga was presented with 'Nagamma Dattatreya Rao Desai Award'. M/s. Zuari Agro-Industries Limited 'Best Extension Worker Award' was bestowed to Dr. C. Ramachandra, Extension Leader, EEU, Mysuru. Dr. H.B. Mahesh, Assistant Professor of Genetics and Plant Breeding, CoA, GKVK received the 'Divya Chethana Shri S.M. Krishna Young Agricultural Scientist Award'. Best Kannada Book Award was presented to Dr. Ganesh Prasad, Associate Professor and his Co-Authors from College of Fisheries, Mangaluru. Best Farm Superintendent Award was given to Dr. K.R. Shreenivasa, Professor, ARS, Kunigal. Best Service Personnel Awards were presented to Shri Dattatreya Bhat, Sr. Technical Officer; Smt. Annapurna S Sajjan, Assistant Comptroller; Shri B.R. Gurumurthy, Sr. Lab Assistant; Shri D.N. Narasimhamurthy, Assistant; Shri Srinivas, Messenger and Shri V. Raghavendra, DRE-Labour. The event was graced by Hon'ble Members, Board of Management. Concluding the celebrations, Dr. S.V. Suresha, esteemed Vice-Chancellor of UAS-B delivered the presidential address, reaffirming the administration's unwavering commitment to foster innovation and propel UAS, Bangalore towards new heights of academic distinction.

Inauguration of Infrastructure - Building the Future & Strengthening Foundations

QTL for Micro-Irrigation Components

THE GOVERNMENT OF INDIA'S Micro-Irrigation scheme under PMKSY aims to provide 'Water to Every Field' and promote 'More Crop per Drop' by supplying farmers with micro-irrigation kits. The Department of Horticulture, Karnataka, distributes these kits at subsidized rates to enhance water-use

Scientist explaining the Micro-irrigation components to dignitaries

efficiency and crop productivity. To ensure the quality of these components, a dedicated Quality Testing Laboratory for Micro-Irrigation Components established at CoAE, GKV was inaugurated on 9th October, 2025 by Dr. G. Parameshwara, Hon'ble Home Minister and Shri N. Chaluvaryaswamy, Hon'ble Minister of Agriculture, GoK. The laboratory, the first of its kind in State Agricultural Universities, is working towards NABL accreditation to uphold high testing standards.

Refurbished CoE-WM Infrastructure

THE REFURBISHED second-floor building of the Centre of Excellence on Watershed Management (CoE-WM) at UAS-B was inaugurated by Dr. G. Parameshwara, Hon'ble Home Minister and Shri N. Chaluvaryaswamy, Hon'ble Minister for Agriculture, GoK. The event marked an important milestone in

Hon'ble Home Minister and Minister of Agriculture inaugurating the CoE-WM building

strengthening the institutional infrastructure of the Centre. The upgraded facility will serve as a hub for research, training, and digital innovations in watershed management. The inauguration was held in the presence of Dr. S.V. Suresha, Vice-Chancellor; Shri Upendra Pratap Singh, IFS, Commissioner, Watershed Development Department, GoK; Members of Board of Management of UAS-B & Dr. N.B. Prakash, Special Officer, CoE-WM, along with senior officers of UAS-B.

5000th Episode of 'Thatt Antha Heli' - Guinness World Record

UAS, BANGALORE AND DOORDARSHANA KENDRA, Bengaluru have collaboratively organized the '5000th Episode of 'Thatt Antha Heli' a unique quiz event that set a Guinness World Record on 11th October, 2025 at GKV. Shri Eshwar B. Khandre, Hon'ble Minister for Forest, Ecology and Environment, GoK inaugurated the event. The occasion was graced by Dr. S.V. Suresha, Vice-Chancellor, UAS-B;

Dignitaries inaugurating the 5000th Episode at GKV

Prof. Shashikanth S. Udikeri, Vice-Chancellor, University of Gulbarga; Naadoja Dr. Hampa Nagarajayya, noted scholar and writer; Naadoja Dr. Wooday P. Krishna, President, Karnataka Gandhi Bhavana, Bengaluru and Smt. Vidushi Revathi Kamath, renowned Veena artist and environmentalist. The event hosted by Dr. N. Someshwar, a renowned Kannada quiz master and television presenter featured a lucky-dip style quiz, where selected participants answered captivating questions and were awarded Kannada-language prize books. The programme was coordinated by Dr. K.P. Raghuprasad, Associate Director of Extension and Head, ATIC, UAS-B and the officials of Doordarshana Kendra, Bengaluru.

World Food Day

COLLEGE OF AGRICULTURE, GKVK, organized the World Food Day on 27th October, 2025 at GKVK. The event was inaugurated by Dr. S.V. Suresha, Vice-Chancellor, who underscored the collective responsibility to ensure access to safe and nutritious food, urging students to adopt zero food waste practices to safeguard future food security. The keynote address was delivered by Dr. T.K. Prabhakara Setty, Member, Board of Management, UAS-B. The programme was presided over by Dr. K.C. Narayanaswamy, Registrar, UAS-B. Dr. N.B. Prakash, Dean (Agri.), CoA, GKVK, Bengaluru graced the occasion.

Vice-Chancellor inaugurating the World Food Day at GKVK

WORLD FOOD DAY was also celebrated on 16th October, 2025, across all KVKs and units of the Directorate of Extension, under the theme 'Hand in Hand for Better Foods and a Better Future'. The celebrations featured 11 demonstrations, six exhibitions and nine food recipe competitions, showcasing innovations in farming and nutrition. Eleven progressive farmers were felicitated by KVKs for their significant contributions to agriculture. In all, the event reached over 35,000 beneficiaries, reaffirming UAS Bangalore's continued pursuit of sustainability, innovation and community empowerment through KVKs.

Capacity Building Programmes

TRAINING FARMERS IN MODERN MARKETING TECHNIQUES : Farmers' Training Institute (FTI), in collaboration with the Centre for Multidisciplinary Development Research (CMDR), Dharwad, conducted a Training Programme on 'Direct Marketing as a Tool for Empowering Farmers' from 28th to 29th October, 2025. In his inaugural address, Dr. S.V. Suresha, Vice-Chancellor, emphasized the significance of innovative marketing strategies to bridge the gap between farmers and consumers. The Chief Guest, Dr. Basavaprabhu Jirli, Director, CMDR, highlighted the challenges farmers face in marketing their produce and underscored the training's objective to equip them with direct marketing skills for enhanced profitability. The event was presided over by Dr. K. P. Raghuprasad, Assoc. Director of Extension, with Dr. C. Narayanaswamy, Professor, Chief Instructor & Head, FTI, also in attendance. The valedictory session was graced by Dr. Y.N. Shivalingaiah, Director of Extension, who distributed certificates to the participants.

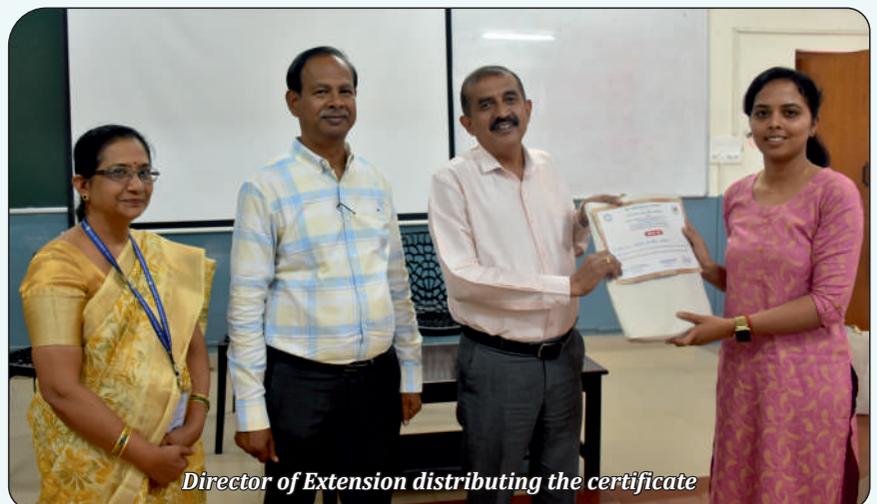

Vice-Chancellor addressing the participants

TRAINING ON SPICE CROP MANAGEMENT : The Department of Horticulture, CoA, GKVK, under the Central Sector Scheme on Development of Spice and Aromatic Crops, Directorate of Arecanut and Spices Development, organized two one-day training programmes for farmers. The first programme on 'Improved Cultivation Practices of Important Spice Crops' was held on 25th October, 2025, at Palya, Kollegala Taluk, and the second on 'Improved Cultivation Practices of Important Tree Spices' on 28th October, 2025, at Chilakawadi, Kollegala Taluk, Chamarajanagara District. Dr. K.N. Srinivasappa, Professor, Department of Horticulture and PI, CSS-MIDH, shared insights on the importance of spice crops, improved cultivars, cultivation techniques, nursery management, and value addition. Shri Jayaram from Organisation for Development of People, Mysuru, emphasized marketing opportunities for farmers through FPOs. Field visits to spice crop plots provided hands-on exposure.

PLANT TISSUE CULTURE AND ENTREPRENEURSHIP : The Agri Innovation Center of UAS, Bangalore conducted a three-day Hands-on Training Programme on 'Techniques of Plant Tissue Culture and Potential Entrepreneurship Opportunities' from 28th to 30th October, 2025. Participants acquired practical expertise in plant tissue culture, including laboratory setup, media preparation, sterilization, explant inoculation, sub-culturing, and callus regeneration. The programme integrated exposure visits to tissue culture laboratories and featured interactive sessions focused on entrepreneurship, catering to Start-ups and entrepreneurs from Karnataka and Maharashtra. The event culminated with encouraging remarks from Dr. Veena S. Anil, Coordinator, AIC, UAS-B and Dr. P. Venkatesha Murthy, Professor, fostering aspirants to pursue ventures in the agri-biotech sector.

TRAININGS ORGANISED BY DIRECTORATE OF RESEARCH : AICRP on Honey Bees and Pollinators organized a two-day beekeeping training programme on 16th & 17th October, 2025. Three-Day National level Hands-on-Training Programme on 'Freshwater Pearl Farming' was organized from 14th to 16th October, 2025 at FTI in collaboration with Inland Fisheries. AICRP on Seed (Crops) organised hands-on training programme on 'Methods and Techniques in Microgreens Production at Hydroponics Unit under the Soilless Agriculture Project, from 11th to 25th October, 2025.

MILLET PROCESSING AND VALUE ADDITION : The Farmers' Training Institute in collaboration with Department of Processing and Food Engineering, Department of Food Science and Nutrition, AICRP on 'Women in Agriculture', and the Institution of Baking Technology & Value Addition, organized a three-day Advanced Skill Development Training Programme on Millet Processing and Value Addition from 13th to 15th October, 2025. Dr. C. Narayanaswamy, Head, FTI delivered a session on entrepreneurial motivation, while Dr. Lata R. Kulkarni discussed the nutritional and health benefits of millets and business opportunities. Dr. Y.N. Shivalingaiah, Director of Extension, distributed certificates to all the participants.

Director of Extension distributing the certificate

BoS, Deeksharambh and RAWEP

Board of Studies (UG) Meeting : The 17th reconstituted Board of Studies (UG) meeting was held on 25th October, 2025 at College of Agriculture, GKVK. The meeting was convened by Dr. N.B. Prakash, Dean (Agri.), College of Agriculture, GKVK and Member Secretary, Board of Studies (UG). Dr. S.V. Suresha, Vice-Chancellor & Director of Education, UAS, GKVK, Bengaluru chaired the session. The meeting was attended by Registrar, all Deans and Special Officers of constituent colleges, officers and members of BoS (UG) of UAS-B. The external experts attended the meeting through online.

Deeksharambh (Induction-cum-Foundation Course) : The University of Agricultural Sciences, Bangalore, is currently hosting the *Deeksharambh* (0+2) Induction-cum-Foundation Course for the first-year degree students of the academic year 2025-2026. The event, scheduled from 27th October to 12th November, 2025, is being held at the Dr Babu Rajendra Prasad International Convention Centre, GKVK. On 27th October, Dr. S.V. Suresha, Vice-Chancellor warmly welcomed the new students who joined various degree programmes during the present academic year. The Registrar and Dean (Agri.) also extended a warm welcome to the students, marking the beginning of the orientation programme. The event was also conducted at College of Sericulture, Chintamani in the august presence of Vice-Chancellor.

RAWEP : Village Placement Programme (90 days) under RAWEP (Rural Agricultural Work Experience), organized by the Department of Agricultural Extension, College of Agriculture, UAS, GKVK, Bengaluru, as part of the Student READY initiative, concluded with the successful conduct of 18 Farmer-Scientist Interaction Programmes-cum-Field Days across Chikkaballapura, Tumakuru, Ramanagara and Bengaluru Rural districts, witnessing the active participation of over 6,500 farmers and stakeholders representing 167 private companies and line departments. Following the village placement, the RAWEP students have been attached to various agro-industries from 29th October, 2025 to 18th November, 2025.

The final year B.Sc. (Hons.) Sericulture and B.Sc. (Hons.) Agriculture students of College of Sericulture, Chintamani organised RAWEP exhibition at Shettihalli Village, Kolar taluk & district on 10th October, 2025. Dr. S.V. Suresha, Vice-Chancellor ceremoniously inaugurated the event, emphasizing the transformative potential of high-yielding crop varieties developed by the University to elevate farmers' prosperity. He eloquently advocated for the adoption of mechanization to optimize labour efficiency. The programme was coordinated by Dr. M.V. Srinivasareddy, Associate Professor and RAWEP Coordinator.

Students Achievement

Mr. Sanjay receiving Degree at WSU

Sanjay Kumar Pradhan has been awarded a Dual Ph.D. Degree in Agricultural Entomology from University of Agricultural Sciences, Bangalore and Western Sydney University, Australia (WSU). Mr. Sanjay is the first student to receive dual doctoral degrees under the collaborative programme between UAS, Bangalore and Western Sydney University.

Ms. C.S. Nandana and Ms. C. Chinmayi students of College of Sericulture have secured second place in the Inter collegiate Under Graduate & Post Graduate Debate competition organized by UAS-B in collaboration with Karnataka State Co-operative Federation, Bengaluru which was held on 14th October, 2025 at GKVK campus, Bengaluru.

NSS volunteers, Mr. Vachan, student of CoAE, GKVK and Ms. K.B. Chandana student of CoA, GKVK {both being the students of 3rd year B.Sc. Agri. (Hons.)} have been selected to participate in the South Zone RD Camp to be held in Kerala. Additionally, Ms. G. Ganavi, student of CoS, Chintamani has been named as the first standby for the camp.

Live telecast of PM Dhan Dhaanya Krishi Yojana at KVK, Mandya

Highlights from Directorate of Extension

Live Telecast of PM-DDKY : The live telecast of the PM *Dhan Dhaanya Krishi Yojana* (PM-DDKY) and Mission for *Aatmanirbharta* in Pulses, launched by Hon'ble Prime Minister Shri Narendra Modiji with an outlay of ₹35,440 crores and agricultural projects worth ₹42,000 crores, was successfully organized across all KVKs under the jurisdiction of UAS, Bangalore on 11th October 2025. The programme witnessed active participation from 2,473 farmers (1,113 men and 1,360 women) and enhanced awareness on integrated agricultural development, crop diversification, and sustainable practices.

DAESI : The 11th batch of the DAESI programme at ICAR-KVK, Bengaluru Rural District, was inaugurated on 15th October, 2025 by Dr. Y.N. Shivalingaiah, Director of Extension and Dr. R. Narayana Reddy, Coordinator, SAMETI (South), GKVK, Bengaluru. Dr. Shivalingaiah highlighted the vital role of input dealers as key links between the fertilizer industry and farmers, urging them to facilitate both effective distribution of inputs and the dissemination of technical knowledge to farming communities.

Field Days

AGRICULTURAL RESEARCH STATION, BALAJIGAPADE, Chikkaballapura organized a Field Day on 29th October, 2025, inaugurated by Dr. S.V. Suresha, Vice-Chancellor, who lauded the district's farmers as paragons akin to those of Israel and emphasized that prosperity in agriculture lies in progressive collaboration and securing profitable markets. The Vice-Chancellor also unveiled the newly established Butter Fruit Block, while Dr. Chikkalingaiah, Associate Director of Research, presided over the event and Dr. G.M. Sujith, Professor and Head of the ARS was present.

ICAR-KVK, BENGALURU RURAL DISTRICT organized a Field Day on High-Yielding Tuberose Hybrid – Arka Prajwal on 10th October, 2025, at the SCSP adopted village viz., Hosahalli, Doddaballapura taluk. Dr. Y.N. Shivalingaiah, Director of Extension graced the occasion and interacted with the farmers. Farmers appreciated the Hybrid's resistance to root worm, aphids and blight, recognizing its potential for sustainable floriculture.

ARS, PAVAGADA organized a Field Day-cum-Training and World Food Day on 31st October, 2025 inaugurated by Dr. Chikkalingaiah, Assoc. Director of Research, GKVK, Bengaluru. The event also featured exhibits of newly released crop varieties, demonstration plots, medicinal and aromatic plant blocks, crop museums, and multi-location trials. Dr. Syed Mazhar Ali, Farm Superintendent coordinated the event.
