The Louisiana State University, USA has proposed an internship opportunity for only B.Sc. (Hons.) Agriculture students for a period of three months at LSU, USA. This program is in line with the Hands-on-Training/Experiential Learning offered at UAS, Bangalore during the 8<sup>th</sup> Semester and it will provide opportunity for students in the area of Soil Hydrology & Remote Sensing Lab and Pest Management.

The selected students will receive a stipend (yet to be confirmed). However, the students are required to bear the airfare, visa and insurance charges. Upon completion of the internship, the student/s will be awarded a certificate and concerned credits will be transferred to UAS, Bangalore as academic requirement.

Presently, the LSU has agreed to accommodate one student from UAS, Bangalore and also exploring additional opportunities to accommodate a few more students. The probable date for the start of this internship will be from March to May/June 2026. The UAS, Bangalore and LSU, USA have already entered into a Memorandum of Understanding (MoU) in the areas of student exchange, internship, degree programmes and research collaboration.

The filled in application in prescribed format may be submitted to concerned Dean/Special Officer **on or before 16.01.2026 4.00 PM and they are informed to forward same to this office through Director of Education, UAS, Bangalore on or before 21.01.2026 – 4.00 PM (Application Format enclosed).**
