

'Kisan Diwas' and 'Raitha Santhe' Celebration at GKVK

DIRECTORATE OF EXTENSION and Directorate of Research jointly organised 'Farmers Day' (*Kisan Diwas*) and 'Raitha Santhe' on 27th December, 2025 at GKVK, Bengaluru. The lush green GKVK campus of UAS, Bangalore was transformed into a vibrant marketplace as thousands of urbanites visited the 'Raitha Santhe' and also took part in the Farmers' Day celebration that served as an effective

Hon'ble Dy. Chief Minister inaugurating the Farmers Day accompanied by Hon'ble Minister of Agriculture

platform for connecting rural producers with urban consumers. The event was organized to commemorate the Birth Anniversary of Shri Chaudhary Charan Singh, Hon'ble former Prime Minister of India. The programme was inaugurated by Shri D.K. Shivakumar, Hon'ble Deputy Chief Minister, GoK, who warmly engaged with farmers and praised their pivotal role in fortifying the agricultural

Dy. Chief Minister and Minister of Agriculture at Raitha Santhe

economy. Shri N. Chaluvayaswamy, Hon'ble Minister of Agriculture, GoK underscored Bengaluru's ascent as a premier agri-export hub with nearly 50 daily flights airlifting fruits, flowers, and vegetables to global markets, thereby amplifying farmers income and international outreach. Dr. S.V. Suresha, Vice-Chancellor, UAS, Bangalore, announced the University's recent NAAC A+ Accreditation and forthcoming 2026-27 Academic Programmes to bolster agricultural education and research. As part of the celebrations, the University felicitated 18 progressive farmers from nine districts for their contributions to agricultural productivity. The event was graced by Dr. Prashant, PKM, Director, Karnataka Soaps

and Detergents Ltd.; Members of BoM and Officers of UAS-B. The *Santhe* witnessed an overwhelming response, with more than 24,000 visitors. About 136 farmers and SHGs showcased their produce, generating an estimated turnover of ₹22.50 lakhs.

CHANAS Conference : Pioneering Agri-Seri Frontiers

THE COLLEGE OF SERICULTURE, CHINTAMANI, hosted the National Conference on 'Challenges and New Frontiers in Agriculture, Sericulture, and Allied Sectors' (CHANAS) on 23rd & 24th December, 2025 to celebrate UAS, Bangalore's *Vajramahotsava* and the College's 30th Anniversary. Dr. M.C. Sudhakar, Hon'ble Minister for Higher Education, GoK and In-charge Minister for Chikkaballapura, inaugurated the event and spotlighted the College's origin. He hailed Kolar and Chikkaballapura as 'Silk & Milk' hubs, congratulating the organizers with best wishes.

Dignitaries inaugurating the Conference

Dr. S.V. Suresha, Vice-Chancellor of UAS-B presided over and traced the rural development's evolution toward food self-sufficiency, crediting Dr. M.S. Swaminathan's Green Revolution. He stressed on food and nutritional security amid farmers' challenges. Chief Guest, Dr. N. Naresh Babu, IFS, Joint Secretary-Technical & CEO, Central Silk Board, Bengaluru, underscored sericulture's vitality and initiatives tackling its hurdles. Dr. P. Venkataravana, Dean (Seri.) and Conference Chairman, extended a warm welcome to all the participants during the inaugural event.

World Soil Day

DEPARTMENT OF SOIL SCIENCE AND AGRICULTURAL CHEMISTRY, CoA, GKVK in collaboration with Department of Horticulture, GoK celebrated 'World Soil Day' on 5th December, 2025 at Lalbagh Botanical Garden with the theme 'Healthy Soils for Healthy Cities'. The event featured an exhibition underscoring soil's pivotal role in urban ecosystems, food security, environmental quality, and human well-being. Posters highlighted Soil Conservation and Sustainable Land Management, Soil Organic Matter & Carbon Sequestration and soils' role in urban greenery & climate resilience.

Street play by students for soil analysis demonstration

On-the-spot soil analysis demonstration educated participants about soil fertility, pH, organic matter, and nutrient availability, emphasizing regular testing for sustainable management of urban and semi-urban soils. The demonstration sparked strong public interest, wherein PG students performed a street play conveying messages about soil degradation, pollution, waste management, and conservation. Inaugurating the event, Dr. S.V. Suresha, Vice-Chancellor of UAS-B warned about rapid urbanisation, soil sealing, pollution, and indiscriminate land use that would threaten urban soil health and urged restoring soil health to

sustain urban green spaces and biodiversity, mitigate climate change, and improve waste and water management. He commended the department's outreach through exhibition, on-the-spot analysis, and student-led street play, and called on citizens, students, planners, and policymakers to adopt soil-friendly practices for healthier and resilient cities. Dr. N.B. Prakash, Dean (Agri.), CoA, GKVK, Bengaluru and Shri K.M. Parashivamurthy, Additional Director of Horticulture, GoK, graced the occasion. World Soil Day was celebrated across all the Krishi Vigyan Kendra's under the jurisdiction of the University of Agricultural Sciences, Bangalore.

VIBHAVA : Where Youthful Talents Dazzled

VIBHAVA - 2025-26, the vibrant Inter Collegiate Youth Festival was organised by CoA, GKVK from 9th to 11th December, 2025, at the prestigious Dr. Babu Rajendra Prasad International Convention Centre, GKVK. Inaugurated by Dr. S.V. Suresha, Vice-Chancellor of UAS-B, the event featured distinguished chief guests namely, Prof. Sundar Raj Arasu, General Secretary of the National Association

Vice-Chancellor inaugurating the Festival

Students performing during the competition

of Physical Education and Sports Sciences, Bengaluru and Ms. Chaitra J. Achar, acclaimed film actress and singer. Five dynamic teams from three constituent colleges of UAS-B and two affiliated colleges competed fiercely across literary, music, theatre, fine arts, and dance categories, showcasing exceptional talent and cultural diversity. College of Sericulture, Chintamani, clinched the 'Overall Championship Trophy' with outstanding performances, while the host, College of Agriculture, GKVK, Bengaluru, secured a proud second place. This festival not only celebrated youthful creativity but also strengthened inter-college bonds within the UAS family, promising even greater participation in future editions. Officers of UAS-B graced the occasion.

Annual Review Meeting : AINP on Vertebrate Pest Management

THE ANNUAL REVIEW MEETING of the All-India Network Project (AINP) on Vertebrate Pest Management was organised on 23rd & 24th December, 2025, at GKVK, Bengaluru. This pivotal gathering, united scientists, policymakers and stakeholders across the nation to assess progress and forge bold strategies for combating vertebrate pests. Inaugurated by Dr. S.V. Suresha, Vice-Chancellor of UAS-B, the opening session shone with the presence of distinguished guests namely Dr. D.K. Yadava, Deputy Director General (Crop Science), ICAR, New Delhi and Dr. Poonam Jasrotia, Assistant Director General (PP&B), ICAR, New Delhi. Dr. Vipin Chaudhary, Network Coordinator, captivated Scientists with a compelling presentation on the project's key achievements, research outputs, and transformative impacts across India's diverse agro-ecosystems. Three dynamic technical sessions delved into habitat analysis, species distribution, crop damage assessments, refined management strategies and participatory village research. Centre-wise showcases from AINP collaborators illuminated regional challenges, cutting-edge innovations, and on-ground successes. The valedictory session crystallized future roadmaps, research priorities, and policy recommendations, underscoring coordinated, science-driven tactics to curb crop losses and bolster farmer prosperity. Dr. H.S. Shivaramu, Director of Research and Dr. Mohan Ishwar Naik, Dean of Student Welfare graced the occasion.

Dignitaries releasing publications during the review meeting

National Seminar on Natural Farming

THE RESEARCH INSTITUTE ON ORGANIC FARMING, GKVK, Bengaluru and the National Centre for Organic and Natural Farming (NCONF), Ghaziabad, jointly hosted a two-day National Seminar-cum-Exhibition on 10th & 11th December,

Vice-Chancellor interacting with the entrepreneur

2025 at GKVK. This platform aligned with national imperatives for soil health restoration, chemical input minimization, climate-resilient cropping, and augmenting

Ms. LIEN BERTREM, IMRD Technical Coordinator, Faculty of Bioscience Engineering International Training Centre and Mr. Hannes Brouckaert, Admin Coordinator, EM programmes from Ghent University, Belgium visited UAS-B on 8th December, 2025 and held discussions with Vice-Chancellor on the opportunities for mobility programme for faculty and students exchange to European Universities.

THE 202nd MEETING of Academic Council of UAS-B was convened on 16th December, 2025 under the Chairmanship of Hon'ble Vice-Chancellor at GKVK. Dr. M. Byregowda, Former Director of Extension, External Expert Member and Member of Academic Council deliberated and took some important decisions pertaining to academic matters.

farmer incomes. Dr. S.V. Suresha, Vice-Chancellor, UAS-B inaugurated the event, and proclaimed natural farming as a 'National Mission' fortifying soil vitality, farmer livelihoods and intergenerational sustainability. Guest of Honour, Shri Abdul Khader Nadakattin, Padma Shri Awardee and progressive farmer, underscored escalating cultivation costs, climatic volatility, and food safety imperatives. Dr. Gaganesh Sharma, Director of NCONF, Ghaziabad, stated virtually: We remain steadfast in advancing nature-positive agriculture through robust collaborations among farmers, researchers, entrepreneurs, and start-ups nationwide. He said, the triumphs of champion farmers and the zeal of youth affirm that natural farming offers a viable livelihood and a potent conduit for green entrepreneurship. Briefings by Dr. H.S. Shivaramu, Director of Research, UAS-B; Dr. Srivathsa, Deputy Director, NCONF and Dr. B. Boraiah, Organizing Secretary elucidated the agenda. Converging scientists, entrepreneurs, start-ups, NMNF clusters, champion farmers, master trainers, *Krishi Sakhis*, and students, the event spotlighted natural farming innovations, policy frameworks, soil rejuvenation protocols, and market-linked green ventures. The exhibition showcased farmer-led paradigms, cost-effective bio-inputs, and nascent technologies, catalysing Karnataka's ascent as an ecological agriculture vanguard.

Inauguration of DAESI programme at Adichunchanagiri College of Agricultural Sciences, Mayasandra TB on 11th December, 2025 with the blessings of Sri Sri Sri Dr. Nirmalanandanatha Mahaswamiji, of Sri Adichunchanagiri Mahasamsthana Math

Vital Skill Boosters : Top Training Highlights

SCIENTIFIC BEEKEEPING TRAINING : AICRP on Honey Bees and Pollinators, GKVK conducted a two-day scientific beekeeping training on 2nd & 3rd December, 2025 at the *Hakki Pikki* colony in Arasapura, Koratagere Taluk, Tumakuru District. Inaugurated by Dr. S.V. Suresha, Vice-Chancellor, UAS-B, the event spotlighted beekeeping's transformative potential for

Vice-Chancellor with the participants

income generation among rural and tribal communities. He urged participants to leverage the training for sustainable, profitable ventures. Assuring unwavering support, he advocated forming Farmer Producer Organizations for robust marketing of honey products. Chief Guest, Dr. H.S. Shivaramu, Director of Research, underscored scientific practice's pivotal role in amplifying agricultural productivity. Village leaders, *Hakki Pikki* representatives, and Gram Panchayat members bolstered community engagement, with active involvement from tribal beneficiaries. Apiculture experts delivered hands-on demonstrations in hive management, colony inspection, and identification, addressing queries with practical insights. The event was coordinated by Dr. Mohan Ishwar Naik, Dean of Student Welfare, GKVK and Dr. K.T. Vijayakumar, Scheme Head, AICRP (HB&P). Bee colonies and equipment were distributed to 200 beneficiaries under the DST-funded project.

URBAN HORTICULTURE : The Agricultural Technology Information Centre (ATIC), Directorate of Extension, GKVK, organized a two-day paid training programme on 'Urban Horticulture' on 2nd and 3rd December, 2025 for 28 selected participants with major focus on importance of Urban Horticulture, Terrace/Vertical gardening, Hydroponics, Medicinal plants, IPM, hands on experience on preparation of pot mixture, re-potting, grafting, layering, budding etc. The programme was inaugurated by Dr. S.V. Suresha, Vice-Chancellor of UAS-B who highlighted the importance of urban horticulture in promoting a healthy and sustainable lifestyle among urban residents. He also emphasized the University's upcoming innovative initiatives, including specialized training programmes for architects to incorporate garden-friendly spaces and provisions in modern house

planning. Dr. Y.N. Shivalingaiah, Director of Extension, UAS, Bangalore presided over the inaugural session. The programme was coordinated by Dr. K. P. Raghuprasad, Associate Director of

Demonstration of grafting technique to participants

Extension, Professor & Head and Dr. C.K. Pramila, Assi .Professor, Agricultural Technology Information Centre, GKVK.

SKILL TRAINING ON WASTE TO WEALTH : ICAR-KVK, Bengaluru Rural, conducted a six-day skill training programme on 'Waste to Wealth : Preparation of Value-Added Products from Flower Waste' from 8th to 13th December, 2025. Sponsored by ICAR-NAARM, Hyderabad, under the project 'Waste to Wealth: Conversion of Flower Waste into Agarbatti and Dhoop', it targeted unemployed farm women and youth. Dr. B.G. Hanumantharaya, Sr. Scientist & Head and Dr. Gopika C. Muttagi, Scientist emphasized sustainable utilization and future scope. The valedictory session featured certificate distribution by Dr. Y.N. Shivalingaiah, Director of Extension, UAS-B and Dr. M. Balakrishnan, Chairman, SC-SP and Principal Scientist, ICAR-NAARM.

SCSP PROGRAMME : AICRP for Dryland Agriculture, GKVK organised on-campus training programme on 26th & 27th December, 2025 under SCSP programme for 26 farmers and 24 farm women of Mulbagilu taluk, Kolar district comprising four villages (Bairakuru, Chekuru, Dasarahalli and Hebbani) on Improved Dryland Technologies. Six lectures were delivered on Climate resilient technologies, improved varieties, soil health & nutrient management, IFS and weed management.

Germplasm Registration

GERMPLASM of IC263015 of Cowpea (INGRI 25060) developed by the team from the Department of Genetics and Plant Breeding, CoA, GKVK namely T. Lakshmi Pathy, A. Mohan Rao, K. Tripathi, T.V. Krishna, K.M. Prahanta, V.J. Ashwini Jain, S. Ramesh, K. Gopalareddy and G.P. Singh has been registered by Plant Germplasm Registration Committee of ICAR, New Delhi on 26th December, 2025. This germplasm would serve as a valuable donor genetic resource for developing early duration cowpea varieties with photoperiod and temperature insensitivity.

Swachhata Pakhwada at ICAR-KVK, Chikkaballapura

ICAR-KVK, CHIKKABALLAPURA, observed Swachhata Pakhwada from 16th to 31st December, 2025, as per ICAR guidelines. Dr. K.N. Manohar, Scientist (Agricultural Extension), supervised the activities. Key initiatives included *Swachhata* Pledge,

Swachhata pledge taken by faculty of KVK, Chikkaballapura

cleanliness drive, awareness programmes, waste management campaigns, plantation drives, community outreach, plastic reduction, organic waste recycling, and education for farmers and rural youth. Emphasis was on community participation, *shramdaan*, and clean-green practices / initiatives.

Global Bridges: Purdue: UAS-B Academic Exchange

UAS, BANGALORE welcomed a vibrant Purdue University delegation on 31st December, 2025, in a dynamic meeting chaired by Dr. S.V. Suresha, Vice-Chancellor. Spearheaded by Prof. Kingsly Ambrose (Agriculture and Bioengineering) and

Vice-Chancellor with the delegates

Mr. Kenneth (Extension Educator, Natural Resources), the group included ten diverse scholars from undergraduates to Ph.D. and Postdoc researchers eager for cross-continental insights. Vice-Chancellor illuminated UAS's robust research ecosystem and global vision, spotlighting Ph.D. and Postgraduate opportunities for international talents. Conversations sparked on shared research frontiers, student swaps, and enduring partnerships, forging a promising path for collaborative innovations. Dr. M.K. Prasanna Kumar, Professor and Coordinator, International Centre, GKVK orchestrated the visit.

70th Kannada Rajyotsava Celebration

THE KANNADA SANGHA of UAS, Bangalore celebrated the 70th Kannada Rajyotsava on 1st December, 2025 at Kuvempu Auditorium, GKVK. The event was inaugurated by Prof. Rahamat Tarikere, Central Sahitya Academy and Karnataka

Vice-Chancellor, Chief Guests, Members of BoM and Office Bearers after garlanding Kannada Bhuvaneshwari Mathe

Rajyotsava Awardee, who portrayed Kannada as a vibrant life force nurturing culture and thought, exemplified by luminaries like Kuvempu, Pampa, Basavanna, and Tejaswi. Shri Harsha, renowned *Sugama Sangeetha* singer enthralled with evergreen Kannada melodies, urging deeper appreciation for linguistic growth. Dr. S.V. Suresha, Vice-Chancellor, presided over, affirming Kannada as an emblem of self-respect and UAS's enduring commitment to its promotion. Prizes were awarded to 'Kannada Poti' competition winners. Dr. T.K. Prabhakar Setty and Dr. M. Chandregowda, Members of the BoM, UAS-B; Dr. K.P. Raghuprasad, President; Shri B. Srikanth, Vice-President; Shri D. Srinivasa Murthy, General Secretary; Dr. N. Umashankar, Joint Secretary of Kannada Sangha, were present.

Walkathon : Steps Through Garden Concepts

A invigorating Walkathon-'Steps Through Garden Concepts' unfolded on 13th December, 2025 at the Botanical Garden, GKVK, under the stewardship of Vice-Chancellor Dr. S.V. Suresha. Designed to foster awareness of its rich flora, fauna, and bio resource conservation, the event drew Heads of teaching Departments, CoA, GKVK. Dr. S. Subramanya, Rtd. Prof. of Entomology highlighted the avifauna, noting its status as a premier Bengaluru's bird watching haven teeming with winter bird migrants.

Field Days organised at GKVK and ARS, Kunigal

CASHEW FIELD DAY: UAS, Bangalore, hosted the State-Level Cashew Field Day on 16th December, 2025 inaugurated by Dr. S.V. Suresha, Vice-Chancellor. Dr. J. Dinakara Adiga, Director, ICAR-DCR, Puttur, served as Chief Guest, while Dr. C. Sunil,

Vice-Chancellor and other dignitaries at the Cashew demo block

Head of Cashew Technology Centre, KSNUAHS, Shivamogga, participated as Special Invitee. Dr. T.R. Guruprasad, Former Associate Director of Research, UHS, Bagalkot, delivered a lecture on advances in cashew cultivation. Dr. H.S. Shivaramu, Director of Research, UAS, Bangalore, presided over the programme. Dignitaries planted cashew grafts near the North Block Auditorium, GKVK, Bengaluru. The event, coordinated by Dr. A.P. Mallikarjuna Gowda, Senior Farm Superintendent, Zonal Agricultural Research Station, GKVK, drew 139 farmers from 10 Karnataka districts. Participants gained hands-on exposure to advanced cashew cultivation techniques, including optimum spacing, High-Density Planting, staking, nutrient and irrigation management, training, pruning and plant protection.

FIELD DAY AND WOMEN IN AGRICULTURE DAY : Agricultural Research Station, Kunigal, in collaboration with KVK, Konehalli hosted Field Day-2025 and Women in Agriculture Day on 4th December, 2025, at ARS, Kunigal. Dr. S.V. Suresha, Vice-Chancellor of UAS, Bangalore inaugurated the event, emphasizing the adoption of high-yielding varieties and

Vice-Chancellor at the exhibition organised during Field Day

technologies to boost agricultural production and productivity. He urged farmers to pursue crop processing and value addition for profitable, sustainable farming, amid changing climate. Dr. H.S. Shivaramu, Director of Research presided, highlighting soil and water conservation for dryland farmers during droughts. Dr. Y.N. Shivalingaiah, Director of Extension underscored women's vital role in agriculture, along with FPOs and farmer groups for greater profitability. Dr. K.R. Shreenivasa, Farm Superintendent, coordinated the event. Over 650 participants including farmers, FPO members, DAESI students and entrepreneurs explored demonstration plots of fodder crops and seed production units.

Kuvempu Birth Anniversary Commemoration

THE KANNADA SANGHA of UAS, Bangalore, marked the 121st Birth Anniversary of National Poet Dr. Kuvempu on 29th December, 2025. The event was presided by Dr. S V. Suresha, Vice-Chancellor of UAS-B, who described Kuvempu as not only a poet but also a

Vice-Chancellor, Officers, Chief Guest and Office-bearers after garlanding Kuvempu's Bust

philosopher, thinker, and humanist. He noted that Kuvempu's work embody universal values, self-respect, rational & independent thinking, social harmony & equality and continue to inspire dignity and progressive thought. Chief Guest, Dr. Subhach Rajamane, writer and Associate Professor, Government Ramnarayan Chellaram College of Commerce and Management, Bengaluru, spoke about Kuvempu's vast contribution to Kannada literature, highlighting how his philosophical writings elevated Kannada to global recognition and touched nature, life, society, and spiritual realization. Rajamane also called Kuvempu a forward, modern thinker and a role model for today's generation. University Officers, staff and students attended the programme.

Investor Readiness Workshop & Krishi Vitta-2025

THE AGRI INNOVATION CENTRE of UAS-B along with GINSERV and AIC-CCRI-CED, hosted a three-day Pre-Pitch Investor Readiness Workshop from 2nd to 4th December, 2025 as a lead-up to *Krishi Vitta 2025*, supported by KSDA. The event trained 30 Agri Start-ups through master classes on investor readiness, pitch refinement, financials, pitch decks, storytelling, go-to-market strategies, valuation, funding and mock pitches with one-on-one mentoring.

Vice-Chancellor addressing the gathering

KRISHI VITTA-2025 was organized on 12th December, 2025 focusing on Agri Startup Investor Meet aimed at bridging the gap between high-potential agri-startups and private investors. Held in collaboration with GINSERV and AIC-Coffee Board of India, the event received support from the KSDA, GoK and sponsorship from IDFC FIRST Bank. Dr. S.V. Suresha, Vice-Chancellor inaugurated the programme, joined by Mr. C.B. Bala Reddy, Additional Director, Karnataka State Department of Agriculture and Dr. K.C. Narayanaswamy, Registrar. Dr. Veena S. Anil, Professor & Head and Coordinator of AIC, UAS-B were presented in the programme.

Visit of Members of BoM to ARS and KVK

HON'BLE MEMBERS OF BOARD OF MANAGEMENT of UAS, Bangalore namely Dr. T.K. Prabhakar Setty, Dr. M. Chandregowda, Shri B.S. Ullas and Shri N. Dinesh visited ARS, Kunigal and KVK, Ramanagara (Bengaluru South) on 11th December, 2025 to review the activities and farm management works. At ARS,, Kunigal the Members of BoM recommended developing land for rice and sugarcane research, seed production, and dryland horticulture to bolster farm revenue. At ICAR-KVK, Ramanagara, suggestions included demonstration plots for Bahubali Super Napier fodder, demo of alternate wetting and drying technology in paddy versus aerobic methods and promoting agri-eco-tourism. The visit was coordinated by

EDITORIAL COMMITTEE

Chief Editor	: Dr. S.V. Suresha Director of Education
Editor	: Dr. K.H. Nagaraj Professor of Agricultural Extension
Associate Editor	: Dr. H.B. Raghu Professor of Forestry & Environmental Sciences

Hon'ble Members, BoM at KVK, Ramanagara

Dr. M.T. Sanjay, Professor & Scheme Head, All India Coordinated Research Project on IFS, UAS, Bangalore.

Outstanding Faculty Accomplishments

DR. H.B. RAGHU, Professor of Forestry & Environmental Sciences and Associate Editor has been awarded the 'Distinguished Scientist Award-2025' during the International Conference on 'Sustainable Innovations in Agriculture, Veterinary and Allied Sciences (SIAVAS-2025)' held from 29th to 31st December, 2025 at UAS, Raichur, Karnataka.

Dr. Raghu receiving the award

DR. V. GOVINDA GOWDA, Professor & Head, Department of Agril. Extension, GKVK, Bengaluru delivered an insightful lecture on 'Bridging Knowledge and Fields: Innovations in Agricultural Extension Services' during the Workshop on Sericulture Extension: Principles and Practices (SEPP), organized by the CSB-CSR&TI, Mysuru on 4th December, 2025.
