PREAMBLE :

With a view to ensuring the effective implementation of Skill Enhancement Courses (SECs), optimizing the utilization of departmental human resources, laboratory facilities, and infrastructure, and facilitating the smooth conduct of practical-oriented courses, the revised pattern of offering SECs for I Year, I Semester and I Year, II Semester of B.Sc. (Hons.) Agriculture, only at College of Agriculture, GKVK, is proposed as detailed below.

Under the existing pattern, the offering of practical-oriented SECs to all sections may result in considerable pressure on the concerned departments in terms of laboratory facilities, human resources, and other infrastructure. Therefore, the revised pattern is proposed to distribute the course offerings across the two semesters, ensuring efficient resource utilization without compromising the academic requirements of the students.

The revised pattern shall be applicable only to the B.Sc. (Hons.) Agriculture degree programme at CoA, GKVK, and shall not be applicable to any other degree programme.

NOTIFICATION

The revised pattern shall be implemented for the B.Sc. (Hons.) Agriculture degree programme only at CoA, GKVK, Bengaluru. This revised pattern of offering SEC courses is not applicable to other colleges offering B.Sc. (Hons.) Agri. degree programme, subject to ratification by the Academic Council. Each student shall complete two SECs in I Semester and the remaining two SECs in II Semester, thereby completing all four courses during the academic year. The revised arrangement is intended to facilitate effective course delivery, reduce the workload on individual departments and ensure the optimal utilization of available laboratory facilities, human resources and infrastructure.

In pursuance of the above, the revised pattern of offering Skill Enhancement Courses (SECs) for I Year B.Sc. (Hons.) Agriculture only at CoA, GKVK is hereby notified as follows:
